

Sponsor an Animal

What could be better than the gift of caring for Wiltshire's wildlife?

Sponsored animals make excellent presents for birthdays, anniversaries and other special occasions.

It only costs £25 per year to sponsor an animal.

This money contributes towards the food and veterinary care of the species you choose. In return, you will receive a certificate, a card with a photograph of the sponsored animal and a car sticker. To sponsor an animal, click on the relevant image below:

Badger

Deer

Fox

Hedgehog

Bird of Prey

Songbird

Water Bird
